

NDSCS GUIDELINGS FOR STAFFING AND SUPPLIES FOOTBALL

Welcome to North Dakota State College of Science, this letter is to inform you of the Athletic Training services that will be available to you and your athletes when you visit this fall.

For each game a physician will be on site from the MeritCare Health System as well as our local ambulance service. St. Francis HealthCare Campus (hospital/emergency room) is less than 10 minutes away (located in Breckenridge Minn.).

Pre-Game taping will be done at the Clair T. Blikre Activities Center, a taping table will be set up outside your locker room area. You will not have access to the Athletic Training Room pre-game. The Athletic Training Room will be open approximately 1 hour following the game for any evaluation or treatments that you may need before you depart.

On the visitors sideline you will have 40 gallons of water, checked at halftime, approx 200 cups, ice chest with bags. If you have any additional needs, please call ahead and we will do our best to accommodate you, and your athletes.

Important contact numbers

NDSCS Athletic Training Room (701)671-2309, Fax (701)671-2388
Sean Owens, ATC (701)640-5285 cell, Email sean.owens@meritcare.com
St. Francis HealthCare Campus (218)643-3000
MeritCare Clinic (701)642-7000

I hope that your visit is enjoyable and injury free. Good luck with your season.
