## Four named NDSCS Meritorious Service Award recipients

WAHPETON — Four North Dakota State College of Science employees have been named recipients of the college's Meritorious Service Award for the 2007-2008 academic year. Formal presentations will be made at the Employee Recognition Program on April 25.

This year's honorees are:

- Brad Brandt, Motor Pool fleet mechanic, employed at NDSCS since March 1975;
- Tracy Devine, Bookstore clerk, employed at NDSCS since April 2005;
- Tina Grenier, Library associate, employed at NDSCS since December 1995; and
- Sherri Metcalf, Print Services operator, employed at NDSCS since July 2005.

The four were chosen by the Rewards and Recognition Committee from nine nominees.

The Meritorious Service Award recognizes outstanding contributions on a daily basis in the following areas:

- Job performance — outstanding customer service and performance that exceed expectations;
- Personal qualities and human relations — those who are helpful, listen to students, staff and visitors, and display a positive attitude; and
- Dedication to NDSCS — demonstrated involvement in civic and community causes and membership in professional organizations.

NDSCS is a two-year, comprehensive, residential college in Wahpeton. The State College of Science offers degrees, certificates and diplomas in over 80 academic options in traditional career and technical studies and in the liberal arts. Last year, 98 percent of NDSCS graduates entered the workforce or continued their college education.

Unlike most two-year colleges, NDSCS offers a university atmosphere for its students, complete with residence halls, 35 affiliated clubs and organizations, music groups, theater productions, intercollegiate athletics, intramural athletics and numerous social activities.
